All Indian nationals in Mali are requested to avoid non-essential travel outside Bamako, especially by road and to rural areas because of the increasing threat of criminal activities and kidnapping against foreigners. Traveling at night time and odd hours should be strictly avoided.

All Indian nationals in Mali are requested to remain in close touch with the Embassy of India in Bamako and regularly follow the Embassy website at www.embassyofindiabamako.gov.in and social media accounts (Facebook: India in Mali; X: @IndianEmbassyML) for latest updates.
